ZSW ASSOCIATION GROUP MEMBERSHIP RULES AND CONDITIONS

The rules and conditions that apply to this category of membership are as follows:

- a) Group Membership is intended for organisations whose clearly stated aims are those of education and/or social welfare. These aims must be demonstrable through properly constituted paperwork, e.g. rules, constitution, charity papers, mission statement, etc.
- b) To be eligible for this category of membership the group must be a single, formally constituted entity, e.g. a registered charity, incorporated company, educational establishment, club, society, youth group, local authority group,
- c) A loose, informal grouping of individuals or small organisations (even if they themselves are formally constituted entities) is not eligible for Group Membership.
- d) A sub-section of a larger, properly constituted organisation, e.g. college or school department, is eligible for Group Membership.
- e) An eligible organisation must have its own list of named 'members' who will gain benefit from their Group Membership of the ZSW Association. If the Welsh Mountain Zoo wishes to check the bona fides of any individual entering the Zoo under this category it must be possible to check the name against a list held at the Group's office, secretariat or HQ.
- f) Only groups comprising bona fide individuals from your organisation can make use of the reduced admission charge to the Welsh Mountain Zoo e.g. from a school only pupils and teachers (not parents); from organisations or businesses only named members or employees (not their friends and families).
- g) The minimum number of people visiting the Zoo, in a year will be THIRTY.
- h) The group membership card must be shown at the Zoo gate on each visit.
- i) The special admission rate to enter the Zoo is currently £2. 00 per person (all classes).
